APTEAN FOOD & BEVERAGE ERP JUSTFOOD ENTERPRISE EDITION

EXTENDED PROFILE

OVERVIEW

Aptean Food & Beverage ERP JustFood Enterprise Edition provides food companies with a software and services package to address the complexities of large food processors and distributors dealing with high transaction volumes and multiple locations. Typically, JustFoodERP Enterprise Edition is suitable for companies between $50 million to $750 million in sales, or 25 to 200 users.

Aptean Food & Beverage ERP JustFood Enterprise Edition industry experts work with your team to implement best practices in key areas such as production, inventory, supply planning, food safety, and sales & marketing; while preserving the specific requirements that make your business unique.

The company provides a development platform that enables companies to tailor the experience specific to their requirements. This could include modifications of screens, tables, and reports; or the creation of interfaces or new business logic. All of this while preserving an upgrade path to future releases whether deployed in the cloud or on-premise.

Aptean Food & Beverage ERP JustFood Enterprise Edition includes all the features in Aptean Food & Beverage ERP JustFood Professional Edition, as well as EDI and Advanced Forecasting, with the optional modules of Multi-site Management; and Development Toolkit for Infrastructure Management, with Microsoft in the Cloud options: CRM; SharePoint Online; and Office 365.

Food companies such as The Original Cakerie, Bruce Foods, DeMet's Candy Corp, Ainsworth Pet Nutrition, Creative Food Ingredients, Vita Pakt, TW Garner, and Fresherized Foods have implemented JustFoodERP Enterprise Edition.
